As the chart shows, Eileen Scott was far and away the #1 agent in Mendham with 23 transactions. The next highest total was one agent with 16 transactions, then four agents with 5 transactions each, 12 agents with between 4 and 3 transactions each, 23 agents with 2 transactions each, and finally 117 agents with just one transaction each for all of 2024.

†Every home sale equals two transactions—the buy side and the sell side. Sometimes one agent handles both transactions but more often it involves two agents. The Garden State Multiple Listing Service (GSMLS) tracks and compiles agent transaction data. This data was used to create the above chart for all home sales in Mendham Township and Mendham Borough for 2024. Analysis excludes co-op and income restricted housing.

\*Number one in Mendham for 2009 to 2024 based on unit sales volume per GSMLS statistics and individual tracking data. Not responsible for errors or omissions.
